THE GUNNISON COUNTY ELECTRIC ASSOCIATION INCORPORATED

SPECIAL EDITION

## Unclaimed Capital Credits

In December 2016, the GCEA Board of Directors elected to return capital credits for the year 1992. GCEA is currently trying to locate members who have unclaimed capital credits from that year. In many cases, letters containing refunds were returned due to lack of correct address. However, there may have also been cases in which capital credit checks were never cashed. If you find your name on the list, please contact GCEA at 800-726-3523 or 970-641-3520. If you know someone on the list, please have them contact us directly.
