2018 REBATE INFORMATION

RESIDENTIAL AND SMALL COMMERCIAL LED LIGHTING REBATES

Gunnison County Electric Association and Tri-State Generation and Transmission Association offer rebates for LED light bulbs and fixtures with LED lighting built in for residential and small commercial use within our service area. GCEA members are eligible to receive a rebate of 50 percent of the LED cost up to a maximum of \$8 per bulb or fixture (not including any shipping or taxes). LED bulbs must be 500 lumens or greater. Qualified applicants can apply for rebates for a maximum of 50 bulbs and/or fixtures per member account each year for installation within GCEA's service area.

COMMERCIAL LIGHTING REBATES

Gunnison County Electric Association and Tri-State Generation and Transmission offer a LED commercial lighting program to provide an incentive for local cooperative businesses to retrofit existing lighting systems with energy efficient LED systems, for new construction LED lighting, exterior wall mounted LED lighting, exterior pole mounted LED lighting, refrigerated case LED lighting, and interior LED lighting.

Commercial LED Lighting Retrofit Rebate Amounts:

- Pole Mounting Lighting Cap of \$20,000 or 25% of total LED head cost per project/account (whichever amount is less), minimum 2,100 lumens per head.
- Refrigerated Case Lighting cap of \$3,000 or 50% of total LED fixture cost per project/account (whichever amount is less).
- All other retrofit or new construction fixture types have a combined cap of \$20,000 or 50% of total LED fixture cost per project/account (whichever amount is less).

Visit www.gcea.coop and click on Energy Efficiency or call 970-641-3520 for information.

GCEA ENERGY EFFICIENCY REBATE PROGRAM

GCEA partners with Tri-State Generation and Transmission Association to offer the following energy efficiency rebates to our members. Members may receive rebates for any of the energy efficiency measures listed in the table below.

System or Appliance	Rebate Amount
LED Light Bulbs and Fixtures with LED Lighting Built In Multi-LED light sources like rope-light, LED offers or under-counter lighting will be considered as a single fixture	50% of the cost of the bulb or fixture up to a maximum of \$8/bulb or fixture Bulbs must be 500 lumens or greater Maximum of 50 bulbs per member account per year
Refrigerators or Freezers over 7.75 ft ³	\$110 for new Energy Star [®] rated appliance With mandatory recycling of old appliance
Clothes Washers	\$60 for new Energy Star [®] rated front load \$50 for new Energy Star [®] rated top load
Electric Clothes Dryers	\$30 for new Energy Star [®] appliance \$90 for new hybrid heat pump appliance (ventless)
Dishwashers	\$35 for new Energy Star [®] rated appliance
Electric Water Heaters 30 to 55 gallon only	\$50 per unit Additional \$20 per unit for lifetime tank warranty (e.g., Marathon)
Heat Pump Water Heaters Energy Star [®] rated residential unit or any commercial installation	\$370 per unit for primary heating by direct exchange with semi-conditioned room air
Air Source Heat Pump Water Heater 30 gallon minimum	\$120 per unit for primary heating by direct exchange ground source or heat pump waste heat
Ground Source Heat Pump Water Heater Any size qualifies	Additional \$25 per unit for lifetime tank warranty (e.g., Marathon)
Electric Thermal Storage and Thermal Slab (Permanently installed units only)	\$22 per kW for ETS controlled by timer or master control system Minimum qualifying load 1 kW for ETS \$18 per kW for slabs controlled by timer or master control system
Electric Heat Pump: Central Ground Source Minimum 3/4 ton (9,000 Btu/h)	\$500 per ton

All rebates must be requested within 120 days of installation.

*Exceptions to this rule include refrigerator installation in new building construction or when a home or business is purchased and a refrigerator was not present in the home or business. In this event, the incentive amount is \$50.

Qualifying Energy Star[®] equipment can be found at www.energystar.gov. Visit www.gcea.coop and click on Energy Efficiency or call 970-641-3520 for information.
